

Annual Report

2017-2018

Caritas India was founded in 1962 as the official development arm of the Catholic Churches in India. With the commitment to preserve the dignity and sacredness of human personality, it is serving the underprivileged sections of the society.

Vision

Formation of a just and sustaining social order by upholding values of love, equality and peace.

Mission

Restoration of human dignity of the poor and marginalized by partnering with intermediary organizations in extending support and facilitation and advocating for the rights of the people.

Executive Director's Message

I am very happy to share the annual report of Caritas India for the year 2017-18.

As a learning organisation, Caritas India continues to gain hands-on experiences and skills through its failures and successes, adapts and improves to respond to the challenges confronting the poor and marginalised to enable them to restore their dignity, reaching out to more than 12 million people covering 19,86,836 households in approx. 700 blocks of 239 districts in 28 states of the country. In 2017-18, it supported most marginalised to uplift themselves. It helped in increasing people's capacity and opportunity to identify alternative livelihood options, addressing inequalities and exclusion that make poor people more marginalised. Had it not been for the support and co-operation of the communities we work with, our local partners and well-wishers, we would not have been able to achieve the many milestones during the year. The year 2017-18 was indeed a very fruitful and challenging year in terms of maximising our reach to the unreached through various thematic interventions and events. This annual report presents the summary and highlights of the major programmes and events organised by us during the financial year 2017-18.

I look forward to continued support from all the well wishers and supporters. Caritas India will strive even greater heights in the coming year.

HUMANITARIAN RESPONSE AND DISASTER RISK REDUCTION & RESILIENCE BUILDING

In 2017, thousands of people died and over 30 million affected by floods across India in the monsoon season. 300,000 hectares of crops destroyed, and 800,000 homes were damaged forcing thousands to take refuge in temporary shelters. Caritas India has effectively impacted the lives of 78,382 households through its humanitarian response in the states of Assam, Manipur, Bihar, West Bengal, Gujarat, Odisha, Uttar Pradesh, Jharkhand, Mizoram, Arunachal Pradesh and Nagaland. Eighty percent of the families belonging to the marginalised and vulnerable communities were provided with food, medical, WaSH, livelihood, shelter and psychosocial support. The humanitarian response in the field was carried out keeping the core humanitarian standards and helping communities with long term recovery programmes.

Caritas is working with 4,94,569 people in Uttar Pradesh, Himachal Pradesh and Uttarakhand, Bihar, Jammu and Kashmir, Tamil Nadu and Pondicherry, West Bengal, Assam, Odisha and Andhra Pradesh to build their Disaster Risk Reduction capacities against various hazards like avalanches, landslides, flash floods, floods as well as drought.

Humanitarian Response Household Reach

 16727 Health	 4805 Food	 14953 Temporary Shelter	 1617 Mosquito net/seed	 23745 WaSH
 4115 Cash Transfer	 2218 Off-Farm Livelihood	 1430 Education	 8612 Agriculture	 160 Shelter

COMMUNITY HEALTH

Caritas India is taking the community centric approach with improved participation of communities in the entire trajectory of health planning, implementation and monitoring processes. Under Health intervention, Caritas India through its 6 programmes has covered 7955 villages in 394 blocks of 72 districts in 18 states and reached out to 7503203 population. Programmes like Intensive Malaria Control Programme, Community based rehabilitation of PLW HIV/AIDS, Cancer campaign, Health and wellbeing DESH Project and Support my School (SMS) were implemented in the seven north eastern states, Odisha, Delhi, Kerala, Tamil Nadu, J & K, Haryana, Uttar Pradesh, Telengana, West Bengal and Sikkim, Maharashtra respectively.

<p>1,48,987 Families covered under Ashakiranam Cancer Care Campaign</p>	<p>3,649 ASHA/CHV trained on National guidelines</p>
<p>10,904 HIV/AIDS positive patients referred to Govt. Health facilities</p>	<p>34,836 Health Awareness Camps organised</p>
<p>400 Teachers sensitized on substance use/abuse</p>	<p>20,012 Volunteers Enrolled</p>

MIGRATION & ANTI-HUMAN TRAFFICKING

Migration and Human Trafficking issues have been considered by Caritas India at different hotspots of the country. Caritas India is coordinating a national network, called “All India Network to End Human Trafficking” (AINEHT) to understand and address the issues and key challenges through collective initiatives pan India, Sharing and mutual learning among CSOs and to formulate collective action for future advocacy. She also has cross border initiatives on Anti Human Trafficking with three partners and another programme on Anti –Human Trafficking (AHT) programme in East Region. Recently much more emphasis is laid on child Rights work based on the four pillars of child rights -Survival, Protection, Participation and Development. A new initiative for research study on Child trafficking is underway to assess the magnitude and draw future course of action for development work. In 2017, approximately 45,711 people were reached in Uttar Pradesh and North Eastern States of India.

ASSISTED VOLUNTARY RETURN (AVR) programme is reaching out to the vulnerable irregular Indian migrants from Europe and UK to uphold their rights and dignity through dignified voluntary return and reintegrating them back into the community. Considering the vulnerability of the irregular Indian migrants, Caritas collaborates with various charitable organizations working for the refugees and asylum seekers in Europe and United Kingdom to assist the irregular migrants to return home safely and live a dignified life. Through ERIN programme, 214 individuals were reintegrated with constant monitoring support for sustainable reintegration. Female Returnees are linked to vocational programmes such as Tailoring and Beautician training. Under these programmes, the following achievements have been made so far.

20 Awareness Campaign	108 Community Based Organisations formed	400 Police & SSB Personnel trained
3 Interception Booth Established		42 Trafficking Victims Repatriated

CHILD RIGHTS & PROTECTION

Increasing children's vulnerability to all forms of abuse, violence, exploitation, and survival itself, depicts that Child rights' protection need is increasing. Caritas India is strengthening her initiatives to expand the children's focus theme by engaging on various sub-themes of child rights. Since last one decade, Caritas India expanded her work on Child rights protection initiatives based on the indicators of child Rights violation and abuses. Through such programme, many children have been rescued from child labor in Darjeeling, Kalimpong and Siliguri districts of West Bengal. Vigilance Committees and Children's Clubs were formed and Child labour free Municipal Ward and Child-Friendly Police Stations were established to promote and protect child rights in the community. Child rights focused programmes (ongoing and completed during the year) cover 208 villages & wards of 65 Panchayats in 24 blocks in 18 districts in 8 states. Through these programmes a total of 96482 children (46684 Girls & 49798 Boys) were benefited. Caritas India continues to promote her partners to develop their own Child protection policies for protection, participation, and development of children.

Currently, programmes focusing on children's rights and education in Bihar, Odisha and West Bengal is promoting formal education for children of school going age and informal education for older or married girls. Life skill needs of the married girls/women are being catered at the education centers. The Bihar, intervention intended to support Children of 1-14 years and pregnant and/or lactating mothers belonging to the Musahar community for having improved access to quality education as per RTE norms along with improved nutrition through linkages with local health facilities. The enrolled children are continuously monitored and supported towards improved academic performance through the Complementary Education Centres functional in each village. The programme 'My Evening School' in the Assam supports the educational needs of flood-affected children in 12 villages. They also get awareness on flood preparedness. Caritas India also organised consultations in Bihar and West Bengal with civil society organisations and others to promote common sharing and learning.

122 Children Rescued	103 Police and Civic Police trained	3 Child Friendly Spaces Established
23 Vigilance Committees formed	23 Wards & 4 GP Child labour free Zones	

CLIMATE ADAPTIVE AGRICULTURE & LIVELIHOOD PROGRAMMES

Climate adaptive agriculture and Livelihood focused programmes are implemented in 16 states namely Manipur, Nagaland, Meghalaya, Mizoram, Arunachal Pradesh, Assam, and Tripura, Rajasthan, Madhya Pradesh, Karnataka, West Bengal, Uttar Pradesh, Bihar, Jharkhand, Andhra Pradesh, and Maharashtra.

FARM North East II in 7 states of Northeast and the new cluster programmes WARM, SABAL, Saksham in Western and M.P regions, Bihar, UP and Rajasthan has completed two years of its implementation. UTTORAN, UJJIVANA, and UJWALA in West Bengal, Karnataka and AP/Telangana completed in the months of June 2017. Agrarian Prosperity programme also completed in November, but the new phase has started, in December 2017.

These programmes focus on Smallholder farmers constituting about 70% of the total farming community in the rainfed areas have varied and distinct challenges which require a completely different set of solutions. There is also limited space for them to share the knowledge and learnings to overcome the development challenges of the area. Due to limited interaction with the local and national level policy makers, their issues go unnoticed.

Caritas India has created an enabling environment for 747056 smallholder farmers to have access to knowledge, skill, resources and necessary technical support to make an informed decision.

Caritas India has supported farmers to get organised in farmers clubs to promote organic farming using Integrated Pest Management & Nutrient Management with soil & water conservation measures and restoration of traditional seeds at the local level. Cultivation of millets is being promoted to improve nutrition. New initiative WADI has started in Kalimpong district in collaboration with NABARD to improve livelihood & food security of 500 tribal small farm families through the introduction of commercial horticulture crops.

4346 Households started Nutritional Kitchen Garden	5274 Farmers engaged in Sustainable Agricultural Practices	3858 Farmers engaged in Good Agricultural Practices
4000 Seed Banks Established at Village Level		1583 Farmers revived Millet

RIGHT TO LIFE AND DEVELOPMENT OF INDIGENOUS COMMUNITIES

Caritas India has been engaging with the tribal communities particularly in Central tribal belt, East, North Eastern region and in smaller Tribal inhabited pockets of South and Northern India.

In the last one decade, emphasis has been given to good governance and identity and dignity restoration through land-based livelihood promotion for food security and economic empowerment. Besides programmatic intervention, Caritas India is engaged in dialogue, liaising and networking with like-minded NGOs and govt departments for convergence and holistic development.

Caritas India had four major cluster programmes namely “PESA Hamara Haq, Gram Nirman, Swadhikar and Tribal Development programme, which focused on Good governance, Tribal development, Livelihood, Rights, and Entitlements and reached 214,725 population in Chhattisgarh and Jharkhand. Caritas India has emphasised on the capacity building of local NGOs and community-based organisations. As a result, the participation of women in Gram Sabha meetings has increased. Gram Sabha meetings have also been chaired by women in some pockets where various village development plans were discussed and approved for implementation. Communities have become aware and enabled access to various government schemes like MGNREGA, pension schemes, microcredit support, housing schemes, agriculture department's support, Pradhan Mantri Crop Insurance scheme, maternal benefit schemes, receiving land ownership certificates etc. Special efforts were made in some areas to support People Living with Disabilities (PLWDs). They have been supported to raise their livelihood through different income generation activities. Families have started harvesting new crops like ginger and are earning by its sale in the local market. Village SHGs have been linked to State Rural Livelihood Missions.

38 Gram Sabha Meetings Chaired by Women	11 Land Patta received under Community Forest Rights Application	160 Individual Forest Rights Applications Sanctioned
63 Hamlets notified for Special Gram Sabhas		1747 CBOs formed (Women, Youth, Farmers, etc.)

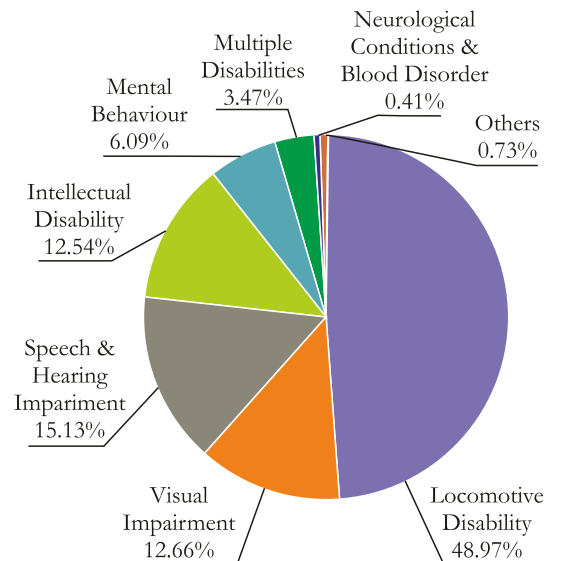

COMMUNITY BASED REHABILITATION OF PEOPLE WITH DISABILITIES

Community Based Rehabilitation Forum (CBRF) works with persons with disabilities, NGO Partners, local communities and the Government to bring about the desired changes in the lives of persons with disabilities in the remote rural areas of India.

It brings about change by caring for education, health, livelihood, social inclusion and empowerment of persons with disabilities. While CBRF promotes the awareness, rehabilitation, inclusion and empowerment of all persons with disability, its primary focus is on women, children and those with severe disabilities. In the financial year 82 programmes worth 5,71,51,430 supported 81,457 persons with disabilities, their families and communities.

HAVE YOU CHANGED THE WORLD TODAY?

क्या आपने दुनिया को बेहतर बनाने के लिये कुछ किया?

Campaign against Hunger & Disease 2018

Caritas India and Misereor for the first time jointly launched the Lenten Campaign with focus on ecological teaching of Pope Francis 'Laudato Si' on protection of environment and human communities from the impact of Climate Change. 'Have you changed the world today?', is the challenging question asked to individuals and communities through the campaign to retrospect and act proactively for taking care of the earth which is our common home. The campaign was launched on the first Sunday of Lent at Sacred Heart Cathedral of Delhi Archdiocese, New Delhi.

INSTITUTIONAL DEVELOPMENT

DEVELOPMENT DYNAMICS COURSE

Caritas India's Flagship Development Dynamic Course was conducted for 47 development professionals from India and Cambodia to familiarize them with Catholic Social Teachings, Social Development Policy, Social Analysis and Macro Economic Analysis, Poverty analysis, Animation and Community Mobilization, Gender Perspectives, Development & Community Mobilization, strategies & People led initiatives (PLE).

KNOWLEDGE MANAGEMENT

START Learning Document

'START 1-2-3-4, Emergency Response the Start Way' shares the insights and knowledge gained while responding with START Fund, UK, supported emergencies and providing actionable recommendation to improve Caritas India's response mechanisms.

Integrated Farming System for Korkus

Since minor millets is the main food crop of the Tribals, this book contains details on how millets are being re-established, types of millets that can be grown in the tribes, package and practice of millets.

Caritas India Coffee Table Book - Winning Odd Ways

This Coffee Table book is a genuine narrative of how Caritas India is bringing about positive change; even beyond project tenure. Aligned with Sustainable Development Goals, these stories are a mirror to the organisation's programmatic goals.

Stories of Change

Facilitating Agricultural Regenerative Measures

Stories of Change - Farm North East

This publication is a small effort to document some of the most interesting stories of FARM Northeast programme on bringing about the change they wanted to see by following the principles of development and change.

GUIDEBOOK ON VOLUNTEERING

Guidebook on Volunteering

This guidebook provides guidelines and practical information to plan and integrate volunteer involvement in the organisation. It also provide volunteers information on different dimensions related to volunteering.

Empowering Movements

This compendium of impact stories is the results of the positive and affirmative actions of organised communities through Caritas India 's Jeevan programme on development and empowerment.

NATIONAL & INTERNATIONAL EVENTS

All India Conference on Volunteering for Change

Caritas India organized All India Conference on Volunteering for Change to stress the importance of volunteering for social change. Some 300 volunteers from different NGOs attended the program in New Delhi.

Consultation to Combat Human Trafficking

A consultation was steered to combat human trafficking issue with the like-minded NGOs in India & cross border to strengthen advocacy initiatives of civil society against Human Trafficking. Several INGOs, NGOs & Govt. officials, Media attended the Program and shared the valuable suggestions on combating human trafficking.

Share the Journey

Caritas India joined Caritas across the globe on September 27, 2017 to launch the Global Campaign on Migration and refugees. The programme witness the presence of members from Jesuits Refugee Service, Domestic Workers Forum, Nirmala Niketan, CBCI labour commission, Staff from Caritas Switzerland.

**State Level Consultation to
End Child Labour**

State Level Consultation to End Child Labour witnessed a confluence of civil society organisations; Government officials as above, including Member, State Commission for Protection of Child Rights, Child Welfare Committees and District Child Protection Officer of Kolkata, and children of the Children's Clubs in Kalimpong and Darjeeling districts formed under a Caritas India programme supported by Caritas Germany, implemented by BSA and ADDSSS.

**State Level Consultation on
Dalit Children's Education & Nutrition**

Caritas India organized a state level consultation on Dalit children's Education and Nutrition in Patna to deliberate on the civil society responses in addition to Government programmes for their uplift, the status of access and collective action for their empowerment. The discussions were centred around understanding multidimensional deprivations, the need for an empowering approach, networking with CBOs and organisations; developing a collaboration with UNICEF and other INGOs/NGOs to share knowledge and information.
